CARD**

GRADES : PK K 1 2 3

State and federal laws require public school districts to release report cards to the public each year.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION

	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	91.4	1.0	4.1	2.6	0.0	1.0	7.0	4.3		0.0	7.8	95.2	417
District	89.2	1.7	4.1	3.5	0.1	1.4	8.7	2.4		0.1	4.2	95.9	5,933
State	55.7	19.9	18.7	3.8	0.2	1.8	40.0	6.6		2.2	16.0	94.0	2,075,277

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

Some teacher/administrator data are not collected at the school level.

SCHOOL DISTRICT FINANCES

TEACHER/ADMINISTRATOR SALARIES (Full-Time Equivalents)

Salaries and counts of staff are summed across a district based on the percentage of time that each individual is employed as a teacher or an administrator and may or may not reflect the actual paid salaries for the district.

EXPENDITURE BY FUNCTION 2004-05 (Percentages)

REVENUE BY SOURCE 2004-05				EXPENDITURE BY FUND 2004-05			
	District	District %	State %		District	District %	State %
Local Property Taxes	\$43,244,529	77.8	58.2	Education	\$42,681,481	71.1	72.2

OTHER FINANCIAL INDICATORS				
	2003 Equalized Assessed Valuation per Pupil	2003 Total School Tax Rate per \$100	2004-05 Instructional Expenditure per Pupil	2004-05 Operating Expenditure per Pupil
District	\$292,266	2.71	\$5,464	\$9,766
State	**	**	\$5,366	\$9,099

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.
Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.
Total school tax rate is a district's total tax rate as it appears on local property tax bills.
Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.
Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics and science.

Caution: Data for 2004-05 should not be compared to data for 2005-06 because substantial changes were made to the state test in 2005-06 when testing in reading and mathematics was expanded to include all grades from grade 3 through grade 8. In 2004-05, such testing was limited only to selected grades. Although there were no changes in high school testing, data in high school report cards at the state level (and also at the district level for unit districts) are not comparable between the two years because of changes in elementary school testing mentioned above.

OVERALL PERFORMANCE - ALL STATE TESTS

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

Data for 2004-05 in reading and mathematics for grades 4, 6, and 7 are not available because testing in these subjects for these grades began in 2005-06.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Measure of Annual Growth in English (IMAGE) is administered to limited-English-proficient students. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Schools with grade 2 as the highest grade in the school use a state-adopted test in reading and mathematics to meet this requirement.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

PERCENTAGE OF STUDENTS NOT TESTED IN STATE TESTING PROGRAMS

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

2006 ADEQUATE YEARLY PROGRESS (AYP) Status Report

Is this school making Adequate Yearly Progress (AYP)?	Yes
Is this school making AYP in Reading?	Yes
Is this school making AYP in Mathematics?	Yes

Has this school been identified for School Improvement according to the AYP specifications of the federal No Child Left Behind Act?	No
2006-07 Federal Improvement Status	
2006-07 State Improvement Status	

	Percent Tested on State Tests				Percent Meeting/Exceeding Standards *						Other Indicators			
	Reading		Mathematics		Reading			Mathematics			Attendance Rate		Graduation Rate	
	%	Met AYP	%	Met AYP	%	Safe Harbor Target **	Met AYP	%	Safe Harbor Target **	Met AYP	%	Met AYP	%	Met AYP
State AYP Minimum Target	95.0		95.0		47.5			47.5			89.0		69.0	
All	100.0	Yes	100.0	Yes	93.5		Yes	97.8		Yes	95.2	Yes		
White														
Black														
Hispanic														
Asian/Pacific Islander														
Native American														
Multiracial /Ethnic														
LEP														
Students with Disabilities														
Economically Disadvantaged														

The four conditions for making Adequate Yearly Progress (AYP) are:

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 47.5% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 47.5% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. For schools not making AYP solely because the IEP group fails to have 47.5% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 89% attendance rate for non-high schools and at least 69% graduation rate for high schools.

* Includes only students enrolled as of 5/01/2005.

** Safe Harbor Targets of 47.5% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

This is the final section of the school report card in which your school and district provide information below on areas of success and areas for planned improvement based on your school's improvement plan.

(For report cards disseminated electronically, this information may be provided in a separate document due to differences in the software used. If you are unable to locate this document, please contact your local school or district office.)

Park School 2006 School Report Card Narrative

Our vision at Park School is to prepare students to be well educated and to celebrate their accomplishments in life. To reach this goal, we believe that students need to be rooted in the basics of reading, writing, and math, yet challenged to branch out into other academic areas of interest as well. We accomplish this in an environment that promotes caring, respect and responsibility. Staff, students, and our community take great pride in our students' accomplishments. We consider our school to be a genuine learning community.

Accomplishments for 2005-2006

- Ninety-five percent of first grade students scored at 95% or above the "watch" score on the ISEL.
- Ninety-two percent of grade three students scored above the reading MAP target.
- Ninety-eight percent of grade three students met or exceeded ISAT math standards.
- Ninety-four percent of grade three students met or exceeded ISAT reading standards.

This was achieved through:

- After school student math intervention program
- After school student reading intervention program
- Analysis of test scores to determine areas of instructional needs
- Building based professional study teams
- Grade level collaboration

Goals for 2006-2007

In order to achieve Park School's objective of improving reading skills, particularly in the area of word study and comprehension, we propose the following plan:

- Implementation and practice of questioning techniques that will assist students with their comprehension (continuing from 2005-2006)
- Implementation of an effective word study program that emphasizes phonemic awareness and reading fluency.

A Park School home reading connection supports our reading goal and is achieved through an annual reading incentive program. It is a thematic, parent-assisted, reward based program that encourages students to continue practicing their reading skills in the home environment.

In order to achieve Park School's objective of improving math skills, particularly in the area of number sense, we propose the following plan:

- Implementation of math learning centers, hands-on math activities, "real life" math, cooperative math groups, and use of consistent math vocabulary across the grade levels to improve number sense skills.

A family math curriculum night was held in the winter which emphasized the importance of number sense skills when learning math concepts.

In order to measure our success in reaching our goals, we aspire to obtain the following scores on standardized testing instruments.

- Eighty percent of Grade 2 students will meet the MAP target in reading and math in the spring.
- Ninety percent of Grade 3 students will meet the MAP target in math in the spring.
- Eighty percent of kindergarten and grade one students will meet the ISEL target in the spring.
