

Orland School District 135 Return to In-Person Instruction

On December 14, 2020, at the Regular Board of Education Meeting, the District made the decision to increase the number of days students attend school in-person. Beginning the week of January 25th, Wednesdays will be added as in-person instructional days. Based on the success of the current Self-contained Special Education programs, there will be no changes for these students. More information will be available soon for First Step/Early Childhood. The updated plan continues to provide families a choice to remain in remote learning or elect to attend school in-person.

For Kindergarten - 5th Grade, the following schedule will go into effect the week of January 25th. For Junior High, please see the effective dates below.

Kindergarten - 5th Grade Schedule:

The Monday, Tuesday, Thursday, and Friday schedule will remain the same.
