

# Orland School District 135 Electronic User Account Creation Form

Orland School District 135 as part of our mobile device Learning Initiative requires the consent of Parents/Guardians to create the necessary online accounts in order for our mobile devices to function properly and to be used most effectively in a classroom setting. This form gives consent to Orland School District 135 to create, on behalf of the parent/guardian and their student, online accounts that enable our 1 to 1 mobile device initiative to function most efficiently and optimally in a classroom setting in a digital world. These accounts include, but are not limited to, a free Apple ID Student Account and a Google Apps for Education Account to be used for school and educational purposes only. The completion and signature on this form gives the consent of the parent/guardian of the student listed to authorize Orland School District 135 to create the aforementioned accounts and any online account necessary for the 1 to 1 mobile device initiative to be successful on behalf of the parent/guardian.
